

IMPORTANT DATES

Submission:

March 30th, 2025

Acceptance notification:

May 15th, 2025

ISBN-only proceedings:

May 20th, 2025

Conference:

September 15-18, 2025

CONTACTS

mdai@mdai.cat

GENERAL CHAIRS

Josep Domingo-Ferrer (Universitat Rovira i Virgili, Catalonia)

PROGRAM CHAIRS

Vicenç Torra (Umeå University, Sweden),

Yasuo Narukawa (Tamagawa University, Japan)

Josep Domingo-Ferrer (Universitat Rovira i Virgili, Catalonia)

ADVISORY BOARD & PROGRAM CHAIRS

22st Modeling Decisions for AI

València, September 15-18, 2025

AIMS AND GOALS

In MDAI we are particularly interested in the different facets of decision processes in a broad sense. This includes model building and all kind of mathematical tools for data aggregation, information fusion, and decision making; tools to help decision in data science problems (including e.g., statistical and machine learning algorithms as well as data visualization tools); and algorithms for data privacy and transparency-aware methods so that data processing processes and decisions made from them are fair, transparent, explainable and avoid unnecessary disclosure of sensitive information.

The MDAI conference includes the following tracks:

- Human decision making,
- Aggregation functions,
- Data science and machine learning,
- Data privacy,
- Graphs and (social) networks,
- Information security

The conference has been since 2004 a forum for researchers to discuss last results into these areas of research. MDAI is rated as a CORE B conference by the Computing Research and Education Association of Australasia - CORE.

SUBMISSION AND PUBLICATION

Original technical contributions are sought. Contributions will be selected on the basis of their quality. Papers should not exceed 12 pages in total (using LNCS/LNAI style).

Proceedings with accepted papers will be published in the LNAI/LNCS series (Springer-Verlag) and distributed at the conference, as done in previous MDAI conferences.

Besides, papers that according to the evaluation of the referees, are not suitable for the LNAI but that have some merits will be published in some additional proceedings (with ISBN) and scheduled in the MDAI program. Direct submission to these other proceedings is also possible (deadline: May 15th).
